

Town of Sunman

Town Council

Roles & Responsibilities

Sunman's town government is comprised of three council members elected at-large. The term of office for a member is four (4) years beginning on January 1 after the member's election. Members of the legislative body must reside within the town limits.

The council serves as the legislative and executive branches of government for the town. The council passes ordinances and resolutions, establishes salaries for town employees, passes an annual budget, and sets utility rates.

No single member of the council has authority on their own without the other members in a public meeting.
